

(Sri D. T. SEETHARAMA RAO)

(c) whether a recommendation has been received by the Director of Technical Education regarding uniformity of recognition for approval of Government;

(d) the difficulties in the way of according uniform recognition and the time required by Government to remove the difficulties?

A.—Sri ANNARAO GANAMUKHI (Minister for Education).—

(a) Yes.

(b) Private Tailoring Schools situated in the Bombay-Karnataka area only are being accorded recognition in accordance with the rules which existed in that area. No such rules exist in the old Mysore area and hence recognition is not accorded to the Private Tailoring Institutions in this area.

(c) Yes and the matter is being examined.

(d) Does not arise in view of reply to (c) above.

CONTAMINATED WATER THAT FLOWS IN THE BHADRA LEFT BANK CHANNEL.

Q.—42. Sri D. T. SEETHARAMA RAO (Bhadravati).—

Will the Government be pleased to state:—

(a) whether they are aware that the villagers who use the water flowing in the Bhadra Left Bank Channel for drinking purposes, are suffering from skin diseases, as the water is contaminated with the human refuse washed into it from the project staff quarters lavatories;

(b) whether they will take steps to avoid this evil by constructing septic tanks or fishery ponds or by making some arrangement through which the human refuse could be carried to the wet lands across the channel without contaminating the water?

A.—Dr. K. K. HEGDE (Minister for Health).—

(a) No.

(b) Does not arise.

FORMATION OF THE IRRIGATION TRACT ROAD IN THE BHADRAVATI-CHANNAGIRI ROAD.

Q.—51. Sri D. T. SEETHARAMA RAO (Bhadravati).—

Will the Government be pleased to state:—

(a) whether action has been taken to form the irrigation tract road which joins Marashettihalli, through Arakere, by the side

of Bhadra Right Bank Channel bridge in the Bhadravati-Channagiri Road;

(b) if not, the time required for commencing the work and the difficulties in the way?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(a) and (b) The Road which joins Marasettihalli through Arakere by the side of B. R.R.B. Channel bridge is not included in the list of Irrigation tract roads to be formed along the B.R.R.B. Channel. But there exists provision for forming an approach road from Arakere to Arabilichi which is situated on the Kudligere-Kammargatta Road. Since Marasettihalli is also situated on Kudligere-Kammargatta Road connection will be established between Arakere and Marashettihalli via Arabilichi after the new approach road from Arakere to Arabilichi is formed. Tenders were invited for this work three times but there was no response. It is therefore being taken up on piece work.
